

# IS IT WELL WITH YOUR SOUL?

## 1 Timothy 6:6

### I. TRUE GODLINESS WITH CONTENTMENT IS ITSELF GREAT WEALTH.

- a. True Godliness is Living for Christ, striving to be holy in our attitudes and actions.
- b. True Contentment is accepting the will of God without a hint of covetousness.
- c. Great Wealth [means Great Acquisitions]

We have acquired a great thing when we have acquired True Godliness and True Contentment.

#### d. Notice:

When we have that combination, we won't be tempted to call spiritual mediocrity, "Contentment"!

### II. AN ASTOUNDING STATEMENT

#### Philippians 4:11b

- a. It's easy to be content when life is good!

Paul was in prison when he wrote this.

- b. The only possible way a person could be content sitting in Jail because of their religious conviction would be if their focus on Christ was so sweet --  
that it was greater than the pain of their circumstance.

#### Isaiah 26:3 NLT

### III. IT WAS WELL WITH HIS SOUL

Because of the keeping power of God.

#### Romans 8:35-39 NLT
